

## **Harv Teitelbaum**

### **Environmental Representative**

#### **Bio**

Harv Teitelbaum is the Chair of the Beyond Oil & Gas Team of the Rocky Mountain Chapter of the Sierra Club. He has worked for the Colorado Division of Wildlife and the Douglas County Soil & Water Conservation District. He has a Masters Degree in Environmental Leadership and Ecopsychology, and currently teaches Environmental Science for two online colleges. Harv, a 45-year resident of Colorado, lives in the foothills where he practices sustainable forestry and runs his home on geothermal and on-property biomass energy, along with wind-sourced electricity.
