

YouTube links on climate change, denial, 6th extinction and related issues:

On climate change topics:

- This is the YouTube link shown at the CCL regional conference 2/7/15:
13 Misconceptions About Global Warming
<https://www.youtube.com/watch?v=OWXoRSIxylU&feature=youtu.be>
Prompted the following response: "All good arguments that have been batted back and forth for 20+ years. No matter who's right the idea of reducing human caused CO2 emissions is a good idea."
- Climate Science: What You Need To Know
